

Step Drill Bits 3 Sawtooth Slotted Drill Ø3 6 8mm Set 7pcs.

Art. number: **150707**

Barcode: **3800972048294**

- ✓ The set includes 3 step drill bits with a TiN coating, 3 combination drill bits and cutters made of HSS steel with a TiN coating, and an automatic center punch for precise marking before drilling.
- ✓ The step drill bits allow drilling and enlarging holes of different diameters.
- ✓ The combination drill bits combine drilling and milling functions in a single tool.
- ✓ The TiN coating reduces friction and improves wear resistance.
- ✓ The set also includes an automatic center punch for marking the drilling point. It creates an initial indentation without the need for a hammer, helping to position the drill bit accurately and reducing the risk of slipping when starting to drill.
