

Diamond Hole Saws Dry M14 Ø8-68mm AL Case Set

Art. number: **157851**

Barcode: **3800972034594**

✓ The set includes drill bits with diameters ranging from 8 mm to 68 mm. This offers great flexibility in drilling different sized holes

✓ The drill bits are diamond-coated, which provides longer tool life and higher productivity. Diamond is an extremely hard material that allows easy drilling into hard surfaces such as ceramic, granite, marble and even concrete

✓ The drill bits are equipped with a standard M14 thread that is compatible with most angle grinders
