

Diamond for Hard Ceramics Hole Saws Dry for drill driver Ø6mm

Art. number: **189126**

Barcode: **3800972043718**

- ✓ Optimized for completely dry drilling, eliminating the need for water cooling and reducing preparation time.
- ✓ The high concentration of premium diamond grit ensures exceptional wear resistance and long service life, even under intensive use.
- ✓ The aggressive cutting-edge geometry enables fast, smooth, and clean cuts without chipping or cracking the material, significantly increasing productivity.
- ✓ Ideal for drilling natural granite, hard artificial stone, and other similar materials.
- ✓ Designed for direct mounting in the chuck of standard drills and drill drivers, providing stability and secure operation during rotation.

TECHNICAL FEATURES

Parameter	Measure Unit	Value
Cutting diameter (mm)	mm	6
Grip		Hexagonal
Application		Hard Artificial Stone
Type		Diamond - Dry Cutting
