

## Diamond Grinding Head 125x22.2mm "T12"

Art. number: **209947**

Barcode: **3800972039094**

- ✓ The double row of segments on the combined diamond grinding cup ensures fast coating removal and highly efficient grinding with a smooth finish
- ✓ Guarantees long-lasting durability when working on concrete
- ✓ The optimal segment balance allows vibration-free operation
- ✓ Suitable for processing ceramic tiles, marble, concrete, masonry, granite, and other construction materials – both smooth and uneven surfaces

### TECHNICAL FEATURES

| Parameter                | Measure Unit | Value              |
|--------------------------|--------------|--------------------|
| Inner disc diameter (mm) | mm           | 22.2               |
| Disc diameter (mm)       | mm           | 125                |
| Type                     |              | Diamond - Grinding |
