

## Small lifting device 10 pcs. in a box TMP

Art. number: **250523**

Barcode: **3800972031364**

- ✓ They are made of strong steel, which guarantees stability and durability during operation
- ✓ The lifters can support weights up to 80 kg
- ✓ The lifting height can be adjusted in the range of 20 to 50 mm
- ✓ Increases productivity by allowing one person to do work that would normally require several people
- ✓ Reduces the risk of injuries associated with lifting and holding heavy boards
- ✓ It guarantees precise positioning of the plasterboards, which leads to a better quality end result
