

Laser Distance Meter 40 m SMART TMP

Art. number: **261405**

Barcode: **3800972041578**

- ✓ Precise and convenient measuring tool for quickly measuring distances of up to 40 m.
- ✓ It provides accuracy of up to ± 2 mm and a measurement result in approximately 0.5-1 second, making it suitable for construction, repair, installation and interior work.
- ✓ The laser distance meter offers distance, area and volume measurement, as well as calculation functions based on the Pythagorean theorem and height difference measurement.
- ✓ It supports addition and subtraction of values, continuous measurement and storage of up to 50 measurement results.
- ✓ The reference point can be selected between the front and rear edge of the device, while measurements can be displayed in m, ft or in.
- ✓ SMART TMP combines precision, fast operation and multiple practical functions in a compact measuring tool that makes everyday measurements easier and saves time.

TECHNICAL FEATURES		
Parameter	Measure Unit	Value
Automatic shut down in ~ 5 min		NO
Sound buttons		NO
Lcd display lighting		YES
Minumum / maximum value		NO
Volume measurement function		YES
Area measurement function		YES
Pythagorean proposition measurement function		YES
Addition & subtraction measurement function		YES
Rated voltage type		Battery
Battery accumulator type		3xAAA battery
Maximum storage		50 Measurements
Eligible deviation (mm/m)	mm/m	+/- 2

LOGISTICS INFORMATION
