

Protective Latex Gloves GRIP PRO PG15 TMP

Art. number: **558119**

Barcode: **3800972044654**

✓ The GRIP PRO PG15 TMP latex gloves for mechanical work are designed to provide a reliable combination of comfort, durability, and precise handling. They are suitable for both professional and everyday applications where protection and control are essential.

✓ The latex coating ensures a strong and secure grip on a wide variety of surfaces and materials, while also offering good resistance to wear and mechanical stress.

✓ These gloves allow safe and confident work in both dry and slightly damp conditions, helping to reduce the risk of slipping tools or small components during operation.

✓ Thanks to their ergonomic design, the GRIP PRO PG15 TMP model fits comfortably to the hand, ensuring excellent flexibility, comfort, and freedom of movement during use.
