

180 mm Paint roller set TS

Art. number: **540667**

Barcode: **3800972034495**

✓ The included roller is 180mm wide, making it suitable for covering large areas with less effort. It is an ideal size for painting walls, ceilings and other large surfaces, ensuring even paint application

✓ It is made of a soft and absorbent texture that absorbs an optimal amount of paint and distributes it evenly on the surface

✓ The set includes a practical tub that allows you to easily dip the roller in the paint and remove the excess amount. The tub has a relief surface that helps to evenly distribute the paint on the roller, preventing oversaturation
