

## Elicopter 6.5cp cu lama si disc ø92cm RDP-GPT01

Numar articol: **090133**

Cod de bare: **3800972036833**

### TECHNICAL FEATURES

| Parameter                                           | Measure Unit | Value    |
|-----------------------------------------------------|--------------|----------|
| Putere maxima motor (kW)                            | kW           | 4.8      |
| Turatie maxima in gol (min-1)                       | min-1        | 60 - 100 |
| Nivelul de vibrații Ah incertitudine K = 1,5 (m/s²) | m/s²         | 16.25    |
| Nivel de putere sonor (dB)                          | dB           | 105      |
| Greutate (kg)                                       | kg           | 95       |
| Tip combustibil                                     |              | Benzina  |
